HONOR THEIR DEAD

to Doctor Herzel.

WAS FOUNDER OF ZIONISM

Thoroughfares in Honor of Dr. Theo- Oceanic. dore Herzel,

New York, July 28 .- A great outpouring of Hebrews observed last night on the East side the day set apart in memory of the founder of Zionism, Dr. Theodore Herzel, who died last July. There was no extensive outward sign of mourning but the event was rather turned into a racical celebration of the convening at Basle, Switzerland, of the seventh congress of Zionists, which move ment was founded by Dr. Herzel.

From dusk until midnight the streets in the Jewish quarter were ablaze with lights. In the narrow side streets the atmosphere was suffocating but no one seemed to notice it. Every Hebrew able to walk was in the street and seemed happy and hopeful for the future. With the flares of their torches lighting up 10,000 or more Jews expressing their sympathy, three thousand members of the Zionist league marched to the music of many bands.

There were old men with black skull caps and heavy beards, young men and little boys and girls each waving the flag of Zion, which is white with two blue stripes and a single six pointed star in the center. When the parade had been dismissed it proceeded in sections to various halls where the Zionist movement was discussed by speakers until a late hour.

I used them for backache and other very marked sympotms of kidney trouble which had annoyed me
